

PROJECT PROFILE

Minneapolis Four Square

Project Type: Remodel & Addition

Location: Minneapolis

A new addition and complete interior remodeling updated this 1904 Four Square to better suit the busy lives of the homeowners and their young children. The two-story addition provides a new mudroom and breakfast area on the lower level and a master suite above, while seamlessly matching the historic character of the original house. The remodeled kitchen features cherry cabinetry with decorative cutwork details.

Featured in *Midwest Home*, September 2005

Featured in *Mpls.St.Paul*, August 2005

Honored with a Minneapolis HPC Award, 2005
