DESIGNER: David Heide, Michael Crull, Maureen Haggerty, Kimberly Kangas, and team

FIRM: David Heide Design Studio

ARCHITECT: David Heide Design Studio

CONTRACTOR: Welch Forsman Associates

PHOTOGRAPHER: Susan Gilmore

When in the presence of royalty, a designer must have the courtesy to respect the past and the courage to bring new energy to the monarchy. Invited to update an 1892 Queen Anne, David Heide and team renovated the existing house and designed a four-story addition to complement the original structure. The result is so lovely, no one would ever guess that this grand dame has ever had any work done.
