

Lake
of the Isles living

MARCH 2013

Exclusive Newsletter for the Residents of Lake of the Isles

Home OF THE Month

Nationally acclaimed David Heide Design Studio of Minneapolis took this Lake of the Isles kitchen (in need of remodel) and transformed it into its current high style of architectural perfection and attention to the finest of details and user-friendly hub of this home. Homeowners love the way the new kitchen flows and takes complete advantage of every inch of the previous space.
